

Church Multiplication

Four Fields Training, Seattle, WA
September 2–5, 2016

The Holy Spirit is stirring pastors and church leaders to equip their church members to start church-planting movements throughout the harvest. This phenomenal shift is turning believers from *spectators* to *reproducers*, bringing significant increase to the Kingdom of God.

If your passion is to reach the lost—in your town or at the ends of the earth—this training can transform your church, your ministry and your life.

This Four Fields training will engage you directly in:

- meeting and interacting with national leaders and trainers,
- discovering Biblical principles for multiplication
- putting these principles into practice in the harvest,
- experiencing this new training paradigm first-hand, and
- connecting with locals with a passion for multiplying churches.
